UD Osher Staff Honored

Every year, over 2,000 people enjoy this enriching, life-saving place we call Osher Lifelong Learning Institute, Wilmington campus! And, day in, day out, a core of loyal employees keep the facilities maintained, organize instructors/rooms/course catalogues, etc, relate us to the University, manage safety issues and all technical equipment, serve fresh foods, and so on. This is our structural core, our paid staff.

On February 19 these dedicated staff members were honored at Special Events Wednesday with certificates of appreciation and distinguished service to all staff (present and absent), along with gift cards for their enjoyment.

A MESSAGE FROM PUBLIC SAFETY

I would like to remind members that they need to be out of Arsht Hall by 4:30 p.m., which is when the OLLI office closes. This is especially important on Mondays and Fridays, because there are no scheduled UD classes in Arsht Hall, but it does apply to every night of the week. Activity leaders, please be mindful of the time and allow your participants enough time to pack up at the end of the day.

On another note, PLEASE, do NOT take unnecessary risks when driving to class. I have observed a number of incidents where members continue to make a left turn from Pennsylvania Ave. after they have lost the green turn arrow and are trying to beat the oncoming traffic that now has a green light. Please, be patient, and wait until it is safe to turn.

Your UD constable,
Dennis

FRESHPAINT:
AFRICAN AMERICAN ART @ UD

With a focus on painting, this exhibition at Mechanical Hall in Newark showcases works from the Paul R. Jones Collection of African American Art. The most recent bequests on view are two streetscapes by renowned Delaware artist, Edward L. Loper Sr. (1916–2011).

VOLUNTEER WEEK

It seems most unlikely, as I sit in my kitchen watching the birds forage in the snow outside, that spring will ever arrive. But judging from past experience, I do feel hopeful that warmer weather is in our future.

Along with that warm weather will come a big week of celebration at OLLI. April 7 marks the beginning of VOLUNTEER WEEK, and there will be big doings as we celebrate the over 500 wonderful men and women who give of their time and talents. Everyone knows that OLLI is a “cooperative.” The fact that we function as an organization is due to these people, our volunteers. From cookies to newsletters, from art shows to special lectures, classes and Reception Area … all are staffed and run for us, and by us!

Won’t you consider joining in? Become a volunteer by signing up at the reception area. It’s a great way to meet people and become involved in an organization that truly makes a difference in so many lives.

A CHOREOGRAPHER OF LIFE

Years ago a little girl felt
The magic of the dance.
She'd twirl and stretch to
Reach the stars
Whene'er she had the chance.
Imagination, energy, and a
Desire to succeed
Proved to be the key that
Helped her
In her greatest need.

Through the years—a lady now—
She's cared for Special Needs.
Called an angel by her friends,
They try to follow where she leads.
From Clinic to Theatre her talents
Are much in demand.
Whene'er the need arises
She holds out a helping hand.
Choreographer, dancer, mother, wife,
That little girl, all grown up now,
Adds much to everyone's life.

The 2014 June Lecture Series (JLS) will be held the week of June 2–6. There will be two lectures each morning and lots of music in between. - **Gail Dillman and Jeremy Hebbel, Gable Music Ventures Partners** — “There’s Music in the Air”: This multi-generational partnership is bringing amazing musical acts to Wilmington to enrich the community and to create the flavor of Austin, Texas, East.
- **William Ayery, Quality Laboratory Manager and Company Historian of ILC in Dover** — The Delaware business that served the nation: going from undergarments to astronaut suits.
- **Jeanne Murray Walker, award-winning poet, UD professor and author** — *The Geography of Memory: A Pilgrimage through Alzheimer’s.*
- **Ranger Vince Vaise, Fort McHenry, National Park Service** — 2014 is the 200th anniversary of the British bombardment of Fort McHenry and America’s victory.

- **Delaware Supreme Court Justice Randy Holland** — Discussing his latest book, *Delaware’s Destiny Determined by Lewes.*
- **Gene Castellano — Wilmington: Preservation and Progress**; Wilmington in the middle of the 20th century and now, a photographic walking tour of our architecture.

Our many (and very friendly) June Lecture volunteers will be at the front tables the week of March 17 to 22 to answer any questions and to sell you JLS tickets for yourself, your family members and your friends. This event is open to the public, so you can bring as many paying guests (of any adult age) as you want! If you miss us at the tables, tickets can be purchased anytime in the Office from Ellen Saienni.

CANDIDATES FOR COUNCIL

The five candidates selected by the Osher Lifelong Learning Council nominating committee will be voted on by the Council in March. Capsule biographies appeared in the February 2014 newsletter and are posted in the Lobby. (Photos by Lee Kaser)
Below is the FY15 budget, which takes effect on July 1, 2014, indicating an overall increase in expenses of 6.2% and a corresponding increase in revenue required. The FY14 budget equaled $1.19 million compared to FY15 budget at $1.27 million.

Facilities Expense equals 59% of the budget and has increased by 7.8% year over year. The primary components are the Operating Expenses and the Capital Reserve. Operating Expenses consist of utilities, grounds contracts, and salaries and benefits plus supplies and expense for the operations and maintenance department and the custodial crew. The Capital Reserve is where we are accumulating funds for the replacement of the 25-year-old Arsht Hall HVAC system in FY18 at an estimated cost of $3 million.

In FY15 membership fees will increase $10 per semester from $250 to $260, or 4.0%. The full-year fee will increase $15 from $430 to $445, or 3.5%. The Summer Session fee will increase by $5 to $90. The proposed fee increases are absolutely necessary to operate and maintain Arsht Hall and to fund the proposed capital improvements to the elevator, the restrooms, and the HVAC system.

Membership fees as a percentage of revenue have decreased from a budgeted 81.7% in FY14 to 80.0% in FY15. The FY15 budget forecasts that investment income primarily from our endowments will contribute $212,000 to revenue compared to $191,000 in FY14. We will also be seeking Annual Giving donations to the Gift Fund and the Future Fund. You will soon be hearing more about fund raising initiatives.

Our fund balances remain strong. We began FY14 with $3,911,317 in endowments, and $754,336 in total liquid funds.

COMPUTERS! COMPUTERS! SECURING PERSONAL INFORMATION

Each of us has personal information on our computers that is vulnerable to unauthorized access through spyware. The information could be Quicken financial data, spreadsheet stock or investment records, income tax files, etc. Even if you encrypt your computer, this information could be stolen.

The easiest, quickest and cheapest method to prevent the theft is to not store the data on the computer. A USB (Universal Serial Bus) flash drive is an external data storage device that can be easily attached to your computer through a USB interface. A 16 gigabyte (GB) flash drive costs $10 and has the capacity to store a vast amount of data: for example 2300 pictures or 250 ten-minute videos. A typical tax file is less than 0.001 GB.

A second external storage device is an external portable drive. A terabyte (1,000 GB) drive costs about $70.

Antivirus and antispyware programs are absolutely necessary to protect you and your computer. Storing your personal sensitive information on a flash drive or external drive is another layer of protection.
