9/07/2022 – 10/05/2022

12:30 PM – 1:45 PM

5 Weeks, 5 Classes

This is an Online class and is limited to 15 students.

### **Class Fees:**

*\$110 Class Fee*

### **Course Content:**

- This online class includes lecture, demonstration, and exercises to increase ability to get the most out of artist-quality, colored pencils.
- A brief history of pigments in pencils will be covered.
- Materials will be reviewed to gain a better understanding of the medium.
- Different colored pencil brands will be discussed and how they work with related media such as watercolor pencils and watercolors.
- Tips and techniques will be explored and discussed to help push color to its fullest.
- This class will build your colored pencils skills to the next level and includes voluntary critiques of class work. Subjects covered will include blending, shading, and layering for richer tonal effects. it
