

## **B. Drawn to Watercolor**

### **Fall 2022**

Instructors –John Erickson, Susan Hayman, Patti Morse

Friday morning 9:00am – 11:30am

### **Course Description**

This intermediate class will start with the fundamentals of drawing, pencil sketching, basic shapes, value range, perspective and proportions. We will discuss the elements of a good composition. You will create drawings with graphite and pen & ink.

Later we transfer your original images to watercolor paper, explore the range of your paint palette and develop unique watercolor art. Additional shortcuts for improving your painting process will be demonstrated.

### **Course Outline**

Topics to be discussed:

- Drawing basic shapes and adding values
- What's your perspective?
- Composition, orientation, cropping
- Thumbnails, gridding, scale
- Transferring design from tracing paper to watercolor paper
- Color blending and harmonious triads
