

Symphonic Rock

Course Content

This class is performance-based. We will meet weekly to work on a group of songs hopefully culminating at an end of semester performance. The song choice and arrangements will be decided once we have a class roster, because they are completely dependent on the instruments that register.

We'll rehearse weekly, under the direction of our conductor, Steven Zimmerman. Scores/sheet music will be provided to all musicians, and parts will be available for beginners as well as more advanced students. We anticipate having a rock band as well as orchestra members. Rather than play different songs each week, we'll spend the first few weeks developing our repertoire and then will refine it for the rest of the semester.

Students will be encouraged to practice between classes, and practice tools will be provided/recommended.
