Re: 2021 Summer Session
Date: February 2, 2021

OLLI will again run its Summer Session entirely online.

The sessions will be held during the same timeframe as previous OLLI Wilmington Sessions, during the month of July. Classes will commence on the Tuesday after the July 4th holiday. The exact dates follow:

- July 6-8
- July 13-15
- July 20-22
- July 27-29

We will once again follow the successful format of classes being held Tuesday through Thursday. Classes will be concentrated in the mornings with opportunities for afternoon extracurriculars, if needed.

We will continue to follow protocol that has been used in past summer sessions.

- 1) We will NOT require instructors to be members
- 2) There be no age requirement for summer participation
- 3) Summer registrants will not be considered "members" of OLLI and will not be granted access to new UD ID accounts.

The OLLI staff hopes to pilot a new online registration that has been successfully used in the downstate OLLIs. We will not use a first come, first serve basis, as we have done with the past two OLLI online sessions. Attendees will be given approximately one week to register online. A lottery system will then be used to determine who can participate in each class.

A decision still needs to be made about the cost of the sessions. Our last online summer session was offered at a discounted price, as it was our first online venture. However, it is not expected that we will offer this bargain price again.
