Instructors: Gerri Sanchez & Lynn Smith

Mah Jongg is a game of skill and strategy that involves a degree of chance. A game of Mah Jongg is an excellent mental workout and helps keep the mind sharp, while socializing with others. It is highly recommended among the elderly as a means of keeping their brains in good health.

Instructions on how to play Mah Jongg will not be given this semester. We will explain how to purchase and use the online game only. This will be done during orientation, so class members can start playing on the first day of class.

Beginners who completed the first spring session of Mah Jongg are encouraged to join this session.

Material needed for class:

- Real Mah Jongg subscription (https://realmahjongg.com/). Cost is $5.99 a month, and can be cancelled at any time.
- 2020 or 2021 Mah Jongg card. The National Mah Jongg League mails out their new cards in April. We are allowing the use of older cards, since class members may not have time to purchase a new one before the start of class. Games will be organized by cards.
