

Wednesday: 12:30 to 3:00

Instructors: Katherine Kelk
Patti Morse

Acrylic Painting Made Simple

This course is intended for those with little experience with acrylics or painting to explore painting with acrylics. The instructor will provide step-by-step demonstration and instruction of a painting each week and then provide support and assistance to the class as needed. Instruction will include discussions about materials, brush strokes, basic techniques, color theory basics, composition, and a variety of textural techniques applicable to acrylic paints.
