

Tuesday: 12:30 to 3:00

Instructors: Katherine Kelk
Patti Morse

Acrylics Made Simple

This course is designed for beginning painters with little experience with acrylics or painting. The instructor will provide step-by-step demonstration and instruction of a painting each week along with support and assistance to the class as needed. Discussions about materials, brushstrokes, basic techniques, composition, design, color theory, and textural techniques applicable to acrylic paints will be included with instruction.

Week 1	Introduction to Materials
Week 2	Brushstrokes and Paint Mixing Techniques
Week 3	Basic Techniques of Blending
Week 4	Introduction to Color Theory
Week 5	Basics of Composition
Week 6	Textural Techniques
Week 7	More Advanced Concepts of Color Theory
Week 8	More Advanced Concepts of Design & Composition
Week 9	Fun with Abstracts
Week 10	Landscapes, Clouds, & Water Techniques
Week 11	Still Life & Floral Considerations
Week 12	Framing Basics
Week 13	Portraits & People in Paintings
