

Beginning Painting for the Fainthearted

The class will be using acrylic paints.

This class is designed for beginners, however, those with some experience are welcome.

The class will cover the following areas:

1. The basics: acrylics and their properties.
2. Value and value exercises.
3. Brushes and brush exercises.
4. Paints and mixing. Color wheel.
5. Canvas and canvas preparation
6. Choosing subjects to paint.
7. Composition

Each class will be experiential and involve practicing the topic. The majority of the time will be spent painting.
