

Non-Ring Wagner Operas - continued

The Ring Cycle are probably the most popular of the Wagner operas. But there are plenty of other works to be enjoyed. Even if you did not take the first semester of this class, you are more than welcome to join now – this is a ‘continuation’ of our look at Wagner operas. We will watch and discuss videos from major opera houses in Europe with top drawer singers and conductors. There is plenty to discover for Wagner fans and new comers!
