

C CHAMBER CHOIR
Course Content Document

Chamber Choir is a small ensemble of about 12 - 24 singers who love to sing, and find community in working on SATB music together. Classes are spent rehearsing a themed program of about 8 songs, typically jazz, Broadway, and contemporary choral repertoire. We work on mastering the music, words, rhythm and style of each song to build a beautiful choral sound.

Before COVID, we have always performed a Lobby Concert in Arsht Hall and will do so this semester as OLLI permits. We also do an outreach concert.
