

Flute Choir

Course Description

The Osher Flute choir welcomes flute players with some experience. Most are at least at an intermediate level. We rehearse seven or eight pieces during the term and present a concert both in the lobby of Arsht Hall and often at an outside venue. The goal of the class is to enjoy ensemble playing, improve both as a group and individually and have a good time in the process.

Weekly Layout:

Each week is similar: we have a 10 minute warmup followed by a rehearsal of our concert program. Both Pam Finkelman and Margaret Love conduct the group.
