

POETRY WRITING WORKSOP HOW THE CLASS WORKS

Here is a quick view of how the class works:

You are asked to write five poems this semester. You write the poems at home.

Due to the large number of participants, the class is divided into two groups, A and B. One week you will read your poem in class, and the next week it will be critiqued.

Before the due date of each poem, you should send a copy of your poem to each class member. Include your name and the poem's number and due date on the poem.

On the due date your group (A or B) reads their poems to the class. At our next meeting, we will hear the critiques of those poems from the other group.
