

Mosaic Wood Art

Instructor Joe DeFeo

Using wood of varying shapes and species the student will design and make a piece of art of their own creation. The student will be taught how to cut the wood to various shapes and sizes to create their own unique design. The class will be 5 - 3 hour sessions. Some wood working experience is helpful, but not required. The cost of the class is \$30 dollars and includes all the wood for a project up to 16 inch square. Class limited to 4 people.
